A weathered wooden boat, possibly a fishing boat, is beached on a rocky shore. The boat is made of dark wood and shows signs of age and wear, with some peeling paint and rust. It is positioned in front of a large, light-colored rock formation. To the left of the boat, there is a small, arched opening in the rock, which appears to be a cave or a shelter. The background features a steep, rocky cliffside with some sparse vegetation, including a small evergreen tree and some dry grasses. The sky is clear and blue. The overall scene conveys a sense of isolation and hardship.

Cerco lacrime
per me gocce di vita
stille di anima

Ama la vita
respira la speranza
colora il sogno

A photograph of a weathered wooden boat on a rocky shore. The boat is made of dark, aged wood and is positioned on a bed of light-colored, jagged rocks. Above the boat, a large, realistic eye is painted on the light-colored rock face of a cliff. The eye has long, dark eyelashes and a detailed iris. To the right of the boat, there is a small, green, leafy plant. The overall scene is one of a desolate, natural environment.

A photograph of a sunset over the ocean. The sun is a large, bright, glowing orb in the upper right quadrant of the sky. The sky is a gradient of dark colors, from deep purple to black. The ocean is dark, with waves visible in the foreground and middle ground. The sun's light reflects off the water, creating a shimmering path of light that leads from the horizon towards the viewer. The text is centered in the middle of the image.

Ora accarezza
il sorriso ammiccante
del solo bene

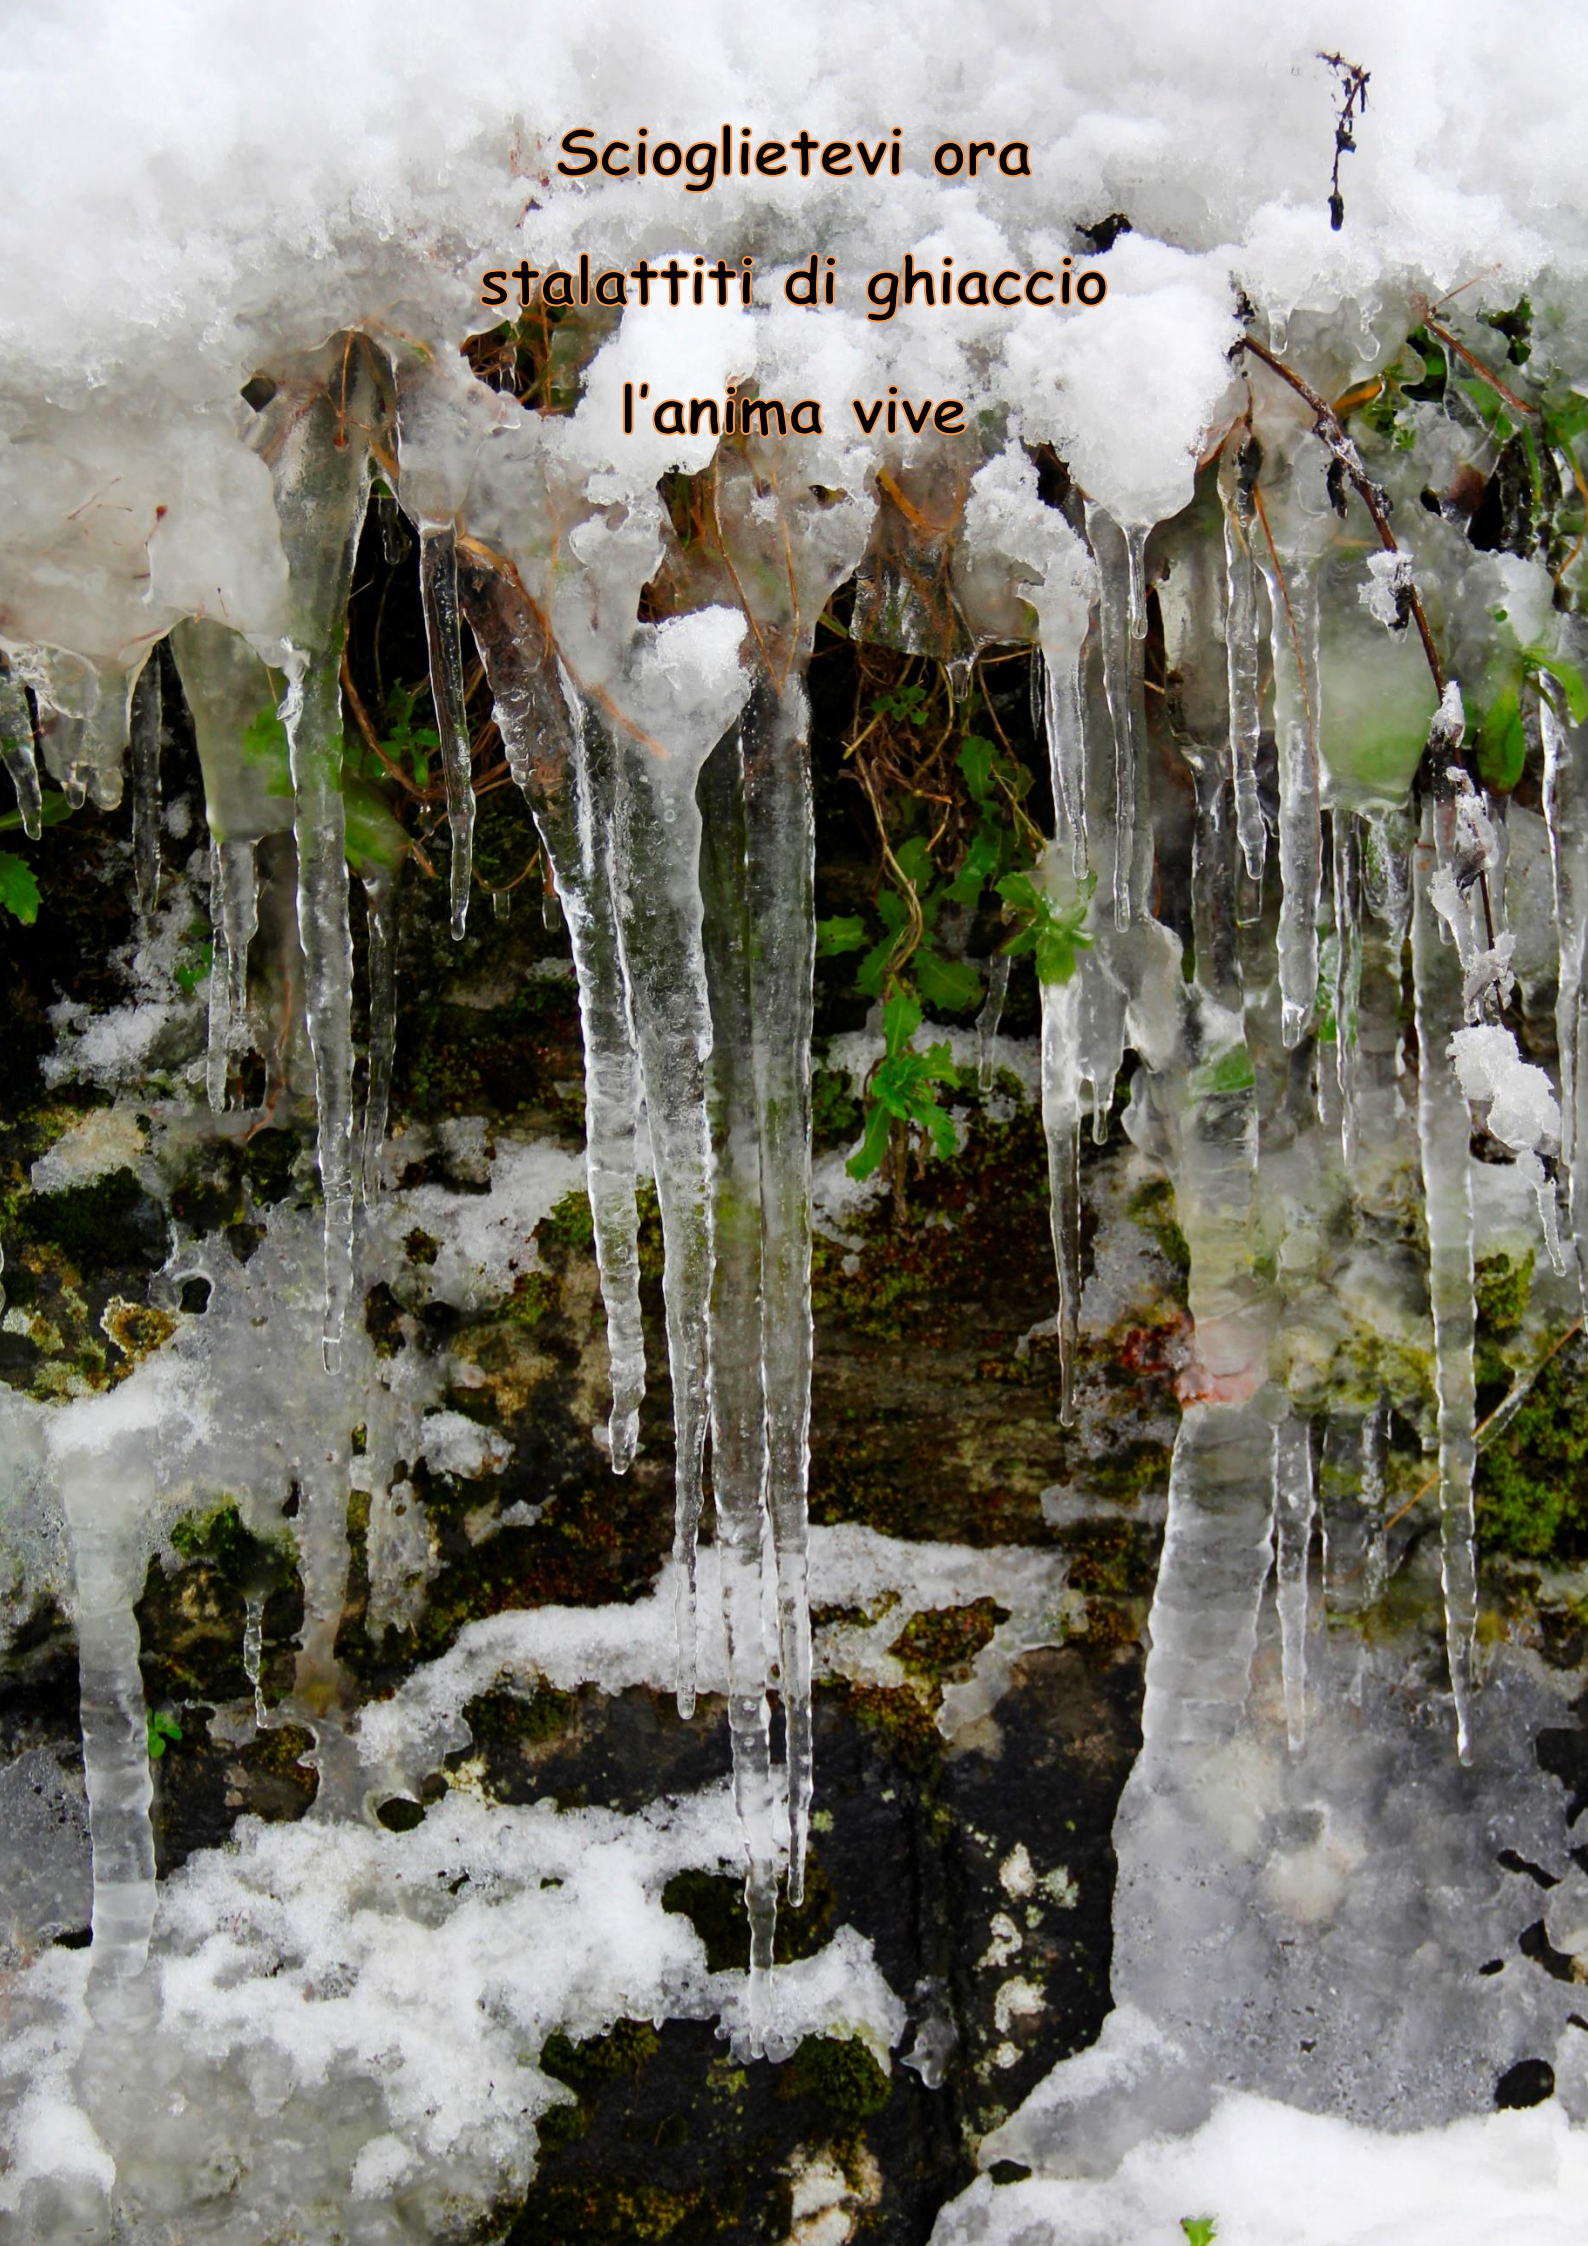

Rigano il volto
lacrime di speranza
non di dolore
